LANDIS IS OPEN from dawn to dusk, 365 days a year.

The Arboretum is a place to wander, relax, and refresh - and enjoy the beauty of Nature. We invite you to explore our 14 miles of trails: a trail guide is available in the Welcome Center. You can download the Uni-Guide app on your smartphone or watch the short videos on our website to introduce you to Landis. You can walk the Ed Miller Native Plant Trail and use the QR codes to learn about a comprehensive collection of plants native to NYS. Don't miss the Sustainable Forest Trail, the Old Growth Forests, or the new Waterfall Trail. Pack a picnic lunch and enjoy the panoramic views of the Schoharie Valley. And make sure to bring the kids!

ABOUT LANDIS

Landis is an arboretum and public garden incorporating hundreds of acres in Schoharie and Montgomery Counties of New York State. We are close to Albany, Schenectady and the rest of the Capital Region.

Founded by Fred Lape in 1951, the Landis Arboretum is a "Garden of Trees and Shrubs". The Landis Arboretum is a valuable cultural and scientific resource that grows in scope and community impact.

As a 501(c)(3) nonprofit corporation, the Arboretum depends heavily on grants, fundraising events, and donations. No one, however, is excluded from participating in our events for lack of funds. Families and individuals who are unable to afford the class registration fee are encouraged to contact the office for information on fee waivers.

For complete course descriptions, including registration and up to date class information please look on our website: **LANDISARBORETUM.ORG** select **NEWS & EVENTS** then **Upcoming Events**.

Registration: Advance registration is always appreciated and required for some programs. Early registration helps avoid disappointment: some classes fill quickly! Others may be cancelled if minimum enrollment is not met.

Three Ways to Register!

1. Register online at landisarboretum.org using PayPal (small administrative fee).
2. Call the Arboretum at (518) 875-6935. Have the class name and date ready to register using a credit card.
3. Email info@landisarboretum.org to reserve a spot and pay at the door. Note that some classes require advance registration with payment.

Inclement Weather: Most programs are held rain or shine. Trails and fields can be quite wet at Landis, so dress appropriately. If a program is canceled as a result of extreme weather conditions, an attempt will be made to notify all who are registered and the cancellation will be posted on our website and Facebook page. Weather related cancellations will be refunded within three weeks of the cancellation by the Arboretum.
